

Dear Members,

I would like to introduce myself and the new team to all those members who don't know us, my name is Jack Ramsden and I will be steering the ship for the next year as your President and the other members of the committee are:

- Jack Ramsden President
- Chris Handley Secretary
- Joey Smith Treasurer
- Darren Wardle Vice President

And as the incoming president I would like to thank the outgoing team for their effort over the past year.

As this year's president I would like to see the club continue the good work that has been done over many years in providing a safe riding environment for juniors and seniors alike and as your new committee we are dedicating ourselves to providing all the support & resources required to run the numerous events planned for the remainder of this year and beyond.

The first challenge we have is the planned Enduro cross on the 13th 14th of August and due to access issues with the land surrounding the Motor Cross and Drag strip this event has been cancelled and replaced with a working bee on the 14th of August at our block at Beneraby, We will have machinery there to build new obstacles and make the track a little more challenging for all skill levels so I encourage all members to bring your mowers, chainsaws, brush cutters and bikes for a little work and a ride.

As this is a club working bee there will be no charge to ride and the club will be providing burgers and drinks for lunch.

As mentioned there are a number of events planned for the remainder of the year as listed below and I would like to encourage any members that are interested in helping organize these events to contact one of the committee members.

- Working bee / Club ride at the Benaraby block on the 14th of August.
- Junior Pony Express Rnd 5 on the 28th of August
- Fairview trail ride on the 10th & 11th of Sept
- Club ride 25th of Sept (Venue to be confirmed)
- Enduro cross on the 29th & 30th of October
- Club ride on the 13th of November (Venue to be confirmed)

So as you can see there is plenty to do for the rest of the year and I can only hope that we get the required support from our club members to help put these events on and I encourage all members to attend our monthly meetings held at the Boyne community centre the first Tuesday of every month to help make the decisions that will ultimately decide the future of the club.

Cheers

Jack Ramsden
President
